Proposal and Travel Grant Application DEADLINE: May 4, 2019

What is the GRN?

The GRN at the Computers & Writing conference dedicated to discussing research projects and work in progress related to computers & writing and preparing for the job market.

Who can participate?

The GRN is free to all registered conference participants. We welcome scholars seeking feedback at any project stage and discussion leaders to facilitate productive conversations about these projects and the job market.

Why attend the GRN?

- * Jumpstart a new research project
- * Work through thesis/dissertation obstacles
- * Acquire feedback on a current project
- * Determine suitable publication venues
- * Prepare for your career search
- * Network with emerging and established scholars
